

# Advent wreath screw-in glass

Instructions No. 2075

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 2 Hours

This Advent wreath is noble and simple. With little material and effort this wreath will also be successful for you and decorates your home during the Christmas season.

## This is how it is done:

Glue the candle sleeves **onto the** screw caps **with** mounting glue. When dry, spray the whole thing with edding **Permanent Spray in Black**. any shade you like. Leave to dry

Print out the free **motif template**. Cut out the numbers and glue them to the glass wall from the inside. Use a **water-soluble pen to draw** the numbers. Afterwards, the numbers are **painted** slowly with the engraving set

Fill the glasses with foil balls, remove the wire in advance. Screw the lids onto the glasses. Finally, place a candle wax tile in each spout **and place** a candle inside.
