Anhänger mit FIMO

Instructions No. 848

Surprise your mother for **Mother's Day** with a homemade gift. The **pendants** are made of glittering FIMO the necklace is designed and decorated with coloured Swarovski-Crystal-cut beads. A very special "Thank you" for the best mummy in the world

And so it is done:

From the desired FIMO-Colors thin, equally long snakes roll. The diameters can vary depending on the desired effect or mixing ratio.
Press the snakes together and twist them around each other. further Roll the resulting snake so that it becomes longer. Then lay it on half, twist it together again and roll it again. Repeat this process until the colours are mixed together
Important: The bright FIMO should form thin "streaks" in the finished roll
Cut the finished roll lengthwise in the middle, place the halves next to each other and roll over them with the roller Acrylic until the two parts have bonded well together and a smooth surface without visible transitions has been created

Roll the filling as flat as possible and fit into the trailer
Tip: The best way to do this is to put the front of the pendant into the FIMO and press and hold with a Cutter cut off the excess.
The Swarovski-Crystal-cut beads easily into the FIMO-

Press the mixture, place the finished pendants on baking paper and bake in the oven at 110°C for approx. 30 min.
