Difficulty: Beginner 🍴🍴🍴🍴

Working time: 1 hour

Gifts are a must at Christmas! An ordinary tin can quickly become a great gift idea. Let our examples inspire you to make your own storage tins.

## Crafting fun for young and old

1. First transfer the template to the red felt and then cut it to size.
2. Then cut a strip of the dark green felt of any width with pinking shears.
3. Now stick both to the tin with double-sided adhesive tape.
4. Then pull the clamps onto the felt and fix the whole thing in place with a little hot glue.

5. Finally, fill the cellophane bag with the items of your choice, then seal it with the bag closure strips and place everything in the tin.
