Colourful birdhouses for the nursery

Instructions No. 542

Difficulty: Beginner

Working time: 45 Minutes

Today we will make little colourful birdhouses for your children's room. You can use all your favourite colours - it's a lot of fun and not difficult at all.

And that's it

For the roofs, use the compass to paint circles with a diameter of 4.5 cm on the Felt. Cut out the circles and cut them in on one side up to the middle. Then form roofs from them and glue the overlapping Felt together with the UHU glue. Now you paint the pots and the spheres colorfully with Handicraft paint and set patterns after drying with Pearl-Pen on the pots. To do this, place the pots in front of you on the table and turn them further, only when the beads are really dry. So they can not smudge.

When the paint and beads are dry, thread Satin ribbon through the hole in the pot and knot it with a ball. At the top, thread it through the felt roof and glue it to the pot. At last you thread a second Pearl make a loop in the Ribbon and stick a butterfly on the roof - ready are your colorful "birdhouses".
