Decorations with Paper Paste

Instructions No. 1774

Difficulty: Beginner

Working time: 30 Minutes

With the **Paper Paste** you can create beautiful decorative elements and borders in no time at all. The created decorative objects are then very stable and at the same time highly flexible and can therefore be easily placed around round objects and fixed

If you still need a small spot of colour for your decoration, you can also simply colour the Paper Paste or design it as you like after drying.

Here's how it works:

Pour the **Paper Paste** into the **mini cups** and add 1-2 drops of the paste as desired **VBS Colour Concentrate** ..of your preferred color.

Mix everything well and apply the compound to the **decorative mats**.

Apply the paste only thinly with one. Spatula Smooth everything out well. Make sure that there is as little residue as possible so that the motifs are clearly visible after drying. Let it dry for about 5 hours.

For a beautiful colour gradient, first apply one colour, smooth the mass and then apply the next colour

Let everything dry well.

Then glue the dried Paper Paste borders with double-sided adhesive to the Adhesive tape bottles and to the glass lantern.

We have primed Handicraft paint the **tray** with white and the edges in the colour Apricot painted.

Now you can arrange everything nicely on the tray.

Tip: These beautiful paper tips are also great for wedding decorations, birthday gifts and scrapbook albums, cards and much more.
