Easter Couple from Wooden Balls

Instructions No. 2173

Difficulty: Beginner

Working time: 1 hour

Isn't our pair of **bunnies** cute? It is suitable for a beautiful Easter decoration or also as a gift for a wedding, as you can make them look like **bride and groom**. The pair of bunnies is pretty to look at in a flower arrangement or solo on the table or windowsill. The bunnies are also a cute craft for children.

This is how you make the couple:

Glue a 70 mm and a 60 mm **wooden ball** together. Then you can glue the **ring** for support and the 15 mm hemispheres for the feet. For the stubby tail, glue on a 20 mm hemisphere each.

Cut three pieces from the winding **wire** and wrap them around a stick such as a wooden stick so that the whiskers are nicely twirled. Stick the whiskers into the small hemisphere 10 mm and fix them there with a little **hot glue**. Now you can glue on the nose.

Print out the **template** for the ears and transfer it to the **felt**. Cut the ears to size and glue them on. You can now shape them a bit and make them the way you want them to be. Now glue on the bows.

Finally, draw on the eyes or the face. It is best to delicately pre-paint with a pencil and then draw on with a fineliner or marker.
