The funny hangers fit in every Easter shrub. Quick and easy to make, these cute bunnies are an eye-catcher in every home.

## Here's how it's done:

Cut out the templates and transfer the motifs to Felt. Cut the individual felt pieces and glue them together with Handicraft glue :

First glue on the white belly, then over it the arms, next the feet. Finally, glue the white dots onto the feet.

Using a needle, thread the embroidery twist through the felt of the body. Wrap a small "neck" and glue it into the hole of the bunny head. Glue a hanging ribbon on the head.
