Herbstkranz mit Kürbis-Deko

Instructions No. 1526

Difficulty: Beginner

Working time: 25 Minutes

Design a decorative wreath for the autumn and for Thanksgiving. This is an absolute eye-catcher and creates a feel-good atmosphere when it gets uncomfortable outside.

Perfect for your entrance area

First of all **a** suspension belt is attached to the **wreath**. Cut 3 plain **satin ribbons of** equal length, place them around the wreath and thread the ribbons through the hole of the **Wooden ball**. Knotted together, the wreath can be hung up and optimally decorated.

Now arrange the **pumpkins and** the different **Embellishment** on the wreath. These are fixed with the **hot glue gun** . **Tip:** Create an asymmetrical decoration area on the wreath with the decoration centre of gravity on the lower half of the wreath.

Finally, tie out the autumnal **Decorative ribbons** a loop and fix it to the wreath with hot glue.
