Instructions for a colourful painted bird house

Instructions No. 1098

Difficulty: Beginner

This colourful bird house brings fresh colour into your garden. The house is painted with colourful outdoor-Acrylic paint Weatherproof and colourful it defies all weather conditions. Set your own colourful accents and hang up your specially created birdhouse in a sheltered place in your garden.

And it's that simple:

How and in what order do I paint the house?

First, you take a look at the bird house in its raw state and set up the outdoor-Acrylic paint At VBS-Set includes all colors you need.

With a brush you paint the roof, the landing pole and the inner edge from entrance hole in turquoise

Then paint the sides of the birdhouse in yellow. The inner sides of the roof are completed in orange and the front is painted pink all over. When everything has dried well, put even small dots of yellow paint on the pink front.
