Instructions: Gift box with heart

Instructions No. 765

The extraordinary hearts on the box are created with the help of a punching **and embossing template.** They are very versatile and can be used as a decoration on boxes or cards or can be given as a solo gift.

And this is how it works:

Prime the **cardboard box** ivory and let the paint dry. During this time, cut several strips from the Scrapbook block box and a circle for the lid. When the paint is dry, glue the papers to the box with a glue stick. Then wipe over Ink Pads the edges with the two and glue cut butterflies and on.

For the heart you punch the **Stencil** with your embossing and punching machine twice. Paper Fold the two strips like an accordion and stick the two strips together at the tip with tape-Ribbon .

Tip: It Stencil is suitable for almost all common punching and embossing machines. Stencil However, the hearts can be cut and embossed with the help of this machine without the help of a machine.

Now thread Embroidery yarn a needle through the small holes and carefully pull the thread together to form a heart. To fix it, stick the two strips together with tape-Ribbon . The thread lies between them. The finished heart is then glued-Ribbon onto the box with tape. You can stick it very well on a card or use it as a gift tag.
