

# Lantern Mermaid

Instructions No. 1830

Difficulty: Beginner 🍃🍃🍃🍃

Working time: 1 hour

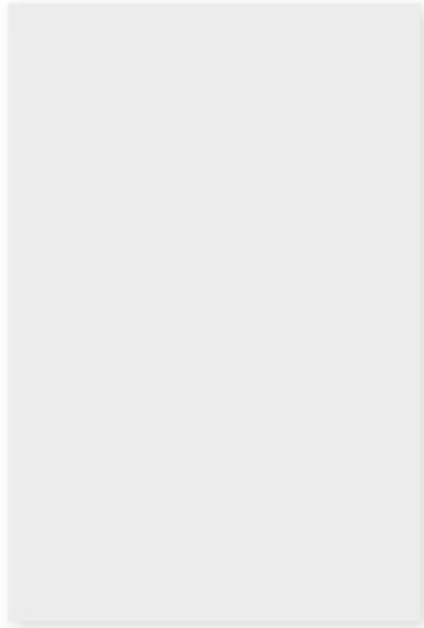

This year the mermaids can be seen in every possible way. Even as a lantern the sea dweller makes a good impression. With our free instructions you will give your little ones a great pleasure and create a great mermaid lantern. Let's go to the lantern run - envious looks are guaranteed!

Download the free **motif template** and print it out. Transfer the silhouette of the mermaid twice to **white and Craft cardboard sheet** cut out everything. Glue the inside of the lantern with **coloured Straw silk paper** or coloured **Décopatch papers**. Especially suitable for this **Handicraft glue** which you can apply with a brush to the surfaces to be glued. Paint the closed eyes with a **black Marker**. For the cheeks cut two ovals from the salmon or pink **Straw silk paper** and stick them on your face with something Handicraft glue. As a hair clip you glue on **jewellery stones**

Now print out the **intermediate part**, transfer the template to (approx. Craft cardboard sheet 50 cm long) and cut it out. Bend the prongs inwards and fix the intermediate piece with **Handicraft glue** on the mermaid. Now fix some **winding wire** at the ends of the intermediate part as lantern bracket. For this, simply punch a hole on each side with a hole punch. Now place a light source in the lantern. Both an LED tea light **and** an LED light chain are suitable for this. Finally only a **Lantern rod** from the winding wire and your spectacular mermaid lantern is ready.
