Little snowmen as a "give away"

Instructions No. 717

You are still looking for a nice little present for a dear person? He/she will certainly be happy about these little snowmen.

Here's **how it works**

Thread one 12 mm and one 10 mm wax bead per **snowman on the** chain pin **,** above it small felt circles with a diameter of 8 mm and 5 mm. Shorten the wire with the side cutter, then attach it to the ring of the mobile phone pendant with an eyelet.

Tip: For an evenly round eyelet, first bend the wire with the round nose pliers at right angles and then wind the bent end in the opposite direction.

Thread each 7 red and white wax beads alternately on aluminium wire, wrap the ends around the last Pearl and then wrap it as a scarf between the two big wax beads. Paint faces on the wire with the black fine-liner

Prime the **box white** , wipe over the ice blue Handicraft paint with the Paint sponge and accentuate the edges turquoise blue.
Print out a short text and cut it out to fit. Again, accentuate the edges turquoise blue and glue it into the box with a glue stick. glue Organza ribbon with tape-Ribbon around the box, apply glitter paste with a brush and decorate the box with a small bow and the scattered pieces.
