Making honeycomb bunnies and eggs

Instructions No. 3625

Difficulty: Beginner

Working time: 30 Minutes

Springtime replaces the wintery grey with colorful accents and brings warmth and life back into our homes. What could be more fitting than **handmade honeycomb bunnies and eggs** to decorate your rooms? These simple but impressively decorative objects are not only ideal companions for the Easter season, but also a wonderful way to unleash your creativity. Follow these step-by-step instructions to make your own charming and individual decorations.

Making honeycomb bunnies and eggs: Bringing spring into the house with creative decorations

Step 1: Prepare the template

First print out the free template. Then cut it out carefully. This template will help you to create the perfect shape for your honeycomb bunnies and eggs.

Step 2: Cut the honeycomb paper to size

Place the cut-out template with the straight side against the short side of the honeycomb paper. Be careful not to place it on the long side, as the Paper cannot be opened from this side. Cut out the honeycomb paper along the template to obtain a clean and even shape.

Step 3: Preparing to assemble

Now it's time to use the double-sided adhesive tape . Apply it to one side of the honeycomb paper and peel off the protective film. Cut a piece of sewing thread, fold it in half and tie it. Place this yarn knot along the straight edge on the double-sided adhesive tape. This will help you to hang up your decoration later.

Step 4: Open and attach the honeycomb paper

Now carefully open the honeycomb paper by pulling both ends in opposite directions. The structure will unfold like a honeycomb. Glue the two free ends of the paper together to create a stable, spherical structure.

Step 5: Make and attach the bunny ears

For the cute bunny ears, use a pretty patterned Paper. Fold the Paper and draw the shape of the ears on it with a pencil, just as you like. Cut out the ears and glue them to the already unfolded honeycomb bunny using adhesive tape . This gives the bunnies their characteristic look.

Step 6: Hang up your decorations

Now your unique honeycomb bunnies and eggs are ready to decorate your home. Using the prepared yarn knot, you can easily hang them up on windows, branches or other places to create the perfect atmosphere for spring and Easter.

Now you have everything you need to bring creative and stylish decorations into your home. Visit our materials list or our online store to easily purchase all the materials you need for this project. Get ready to show off your crafting skills and make your home shine with these self-designed eye-catchers!
