Pompom bunny

Instructions No. 2416

Difficulty: Beginner

Working time: 3 Hours

These fluffy bunnies are a great decoration for the Easter season. Hung in the Easter bush or decorated in the window, the colourful pompom bunnies look great.
In this tutorial you will learn how easy it is to make the bunnies. The crafting is also guaranteed to be great fun for children.

Make pompom bunnies:

1. Delicately trace the faces of the bunnies onto the wooden balls with a pencil and then trace them with markers.

2. Print out the template for the ears, transfer to the felt and cut out. Insert two ears per bunny into the hole of the wooden ball and fix them with a little hot glue if necessary.

3. Wind the pompoms in different colours with the pompom maker and trim them at the end with scissors. You will find the exact instructions for creating the pompoms on the product packaging of the pompom maker.

4. Now pull a piece of perlon thread through the top of the pompom using a needle. Then thread on the wooden ball and create a suspension between the ears.

5. Fix the bunny heads to the pompoms with a little hot glue.
