Sea animals from pompoms

Instructions No. 2746

Difficulty: Beginner

Working time: 3 Hours

A great craft project - the **sea animals** with the **fluffy pompom centre** are easy to create and thanks to our template easy to copy. Even the little ones can do this and enjoy the finished crab, seahorse or whale after crafting.

This is how the cute sea creatures are made:

Wind the **pompoms** in different colours with the **pompom maker** and style them at the end with scissors. You will find the exact instructions for creating the pompoms on the product packaging of the pompom maker.

Transfer the **templates** to the **foam rubber** sheets and cut them out. Place the pompoms in the respective holes. Finally, glue on the wiggle eyes.
