Secret Santa Story Part 4 - Tomte celebrates Christmas

Instructions No. 2312

Difficulty: Beginner

Working time: 6 Hours

And Christmas is already just around the corner. For this reason, Tomte has already decorated his living room for Christmas, put up a Christmas tree and made himself cosy in front of the carmine.

Create a miniature Christmas living room.

1. cut three squares with sides of 20 cm each from grey cardboard. It is best to use a cutter knife to cut them cleanly. Use masking tape to join the cut-out squares together to form the corner of the room.

2. Paint the top half of the walls with beige craft paint and stick motif paper on the bottom half and the floor.

3. Cut a few strips of motif paper and use them to make a fireplace with the help of 3D adhesive pads.

4. For the table, glue a circle of motif paper onto a roll of yarn and glue a plate from the wooden tableware set upside down from below. Set the table with miniature glasses and a bottle.

5. For the blanket, cut out a rectangle of craft felt, cut fringes and draw a check pattern with a white marker.

6 For the rug, simply cut a rectangle out of motif paper and glue fringe on both short sides.

7. finally, arrange a cosy scene using the handmade furnishings and the miniatures.
