Difficulty: Beginner

Working time: 2 Hours

Christmas traditionally includes a **Advent Calendar**. What pleases children and adults more, if it is also designed and filled by themselves. This Advent Calendar-idea is also **suitable for sewing beginners**. With your desired fabrics and decorations it will be an eye-catcher in your home. Or you give it away and make the presentee shine!

Print it out for free Pattern and transfer it twice for each cap to the respective fabrics. In our example we have chosen a **Christmas fabric** as outer fabric and a plain grey **fabric as** inner fabric. Cut the motif with 1cm seam allowance. Now sew the fur ribbon onto the outer fabric with a narrow edge. Sew it on at the only bottom and place it under the seam allowance. The next step is to **sew on** the buttons.

Now fold them all Fabric cuts right sides together and sew the sides together. Now the christmas fabric of our outer cap is inside, so the fur band is also inside. Turn the inside caps, in our case the plain caps. Now place your inner cap into the outer cap. In our example we put the plain fabric cap into the Christmas fabric cap. The two caps are now sewn together at the top. An opening is left for turning! After turning, your inner cap is now in the outer cap. The turning opening is sewn up by hand.

Finally, the pendants are **punched out and** the numbers are painted on. They are hung on the buttons with a piece of jute cord. For hanging up one or Cord one is sewn Ribbon behind the caps. Knot the ends into a loop.
