Trendsetter bag "Whale"

Instructions No. 1646

Difficulty: Beginner

Working time: 15 Minutes

Are you looking for a small robust bag for the kindergarten or for yourself? The VBS Children's bag is made of dark Felt. The ironed-on whale makes it a unique designer piece.

Ironing applications are quickly made by yourself!

For Application you need**non-woven and decorative fabrics that can be ironed on** both sides.

Download the **motif template** "Whale", transfer the whale onto the screened side of the adhesive fleece that can be ironed on both sides. Cut the fleece roughly to size. Remove the backing paper from the blank side of the fleece and iron the fleece cut to the left side of the decoration fabric. The fabric and fleece can now be cut precisely.

Remove the backing paper from the blank side of the adhesive backing and position the self-made iron-on application **on the** bag and iron it on using an iron-on cloth.

Dear sewer, as fabrics are seasonal goods and we always want to have trendy fabrics in stock for you, it can happen that the sewn fabric is no longer in our range.

In our fabric section you will find a large selection of great fabrics. Click **here** to discover **all the fabrics**.
