Instructions No. 557

Difficulty: Beginner

Working time: 15 Minutes

These storage jars can be quickly and easily decorated to your personal taste. With a little Lace ribbon wrapping and small accessories such as buttons or Motif straw silk the simple glasses get their special charm.

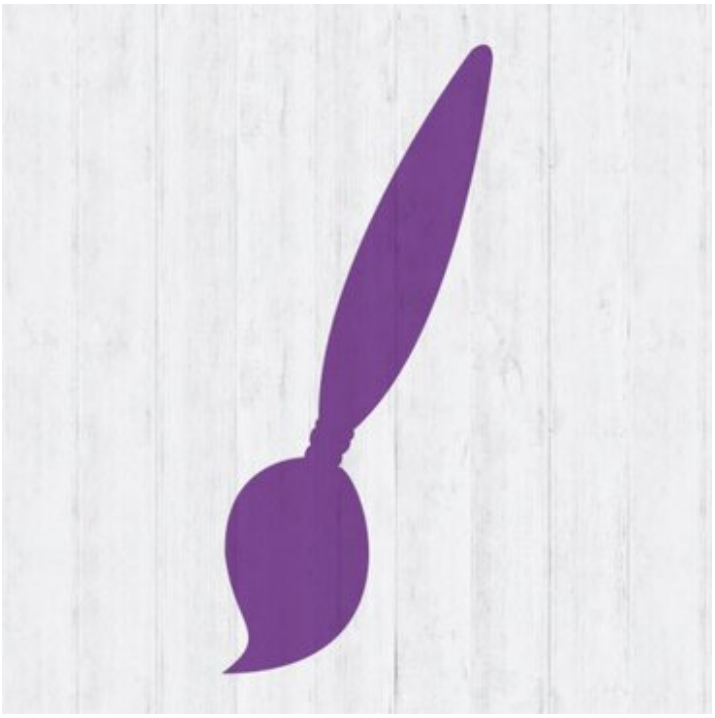

Here's **how it works**

Cover the glasses with the self-adhesive fabric tape and decorate the edges with lace. Fix this with double-sided tape-Ribbon. Then use the side cutter to remove the Metallic Markers from the Brads "Buttons" and stick the buttons with hot glue around the glasses on the fabric tape
For the lids, cut out matching rose motifs from Cotton fabric and stick them on with UHU Contact power glue. To seal the lids, apply another layer of glue to the lids only Napkin varnish.
