

Hello favourite neighbour,

today I'm getting a visit from 3 friends.  
Finally! Because we haven't seen each other  
for such a long time.

We want to play a card game together. I'm  
actually really looking forward to it, but it's  
always so hard for me to hold the cards in  
my hands.

Do you know when there are just too many  
cards for your hands?

But then I had an idea!

I fiddled around in my workshop, sawing  
and hammering.  
Shall I tell you what I made?

Playing card holders for all of us!

Isn't that great? I made one for you too and  
added a pack of cards, because I don't  
know if you have one.

I hope you like it.

Yours

PS: If you also want to make playing card  
holders for your friends, I brought you  
some blocks and glue.
